

SYED GUFRAN KAZMI

Lucknow | +91 9616201715 | sgkazmi15004@gmail.com

OBJECTIVE

Motivated and detail-oriented B.Tech (Computer Science & Engineering) final year student from Integral University, Lucknow, with strong programming skills and hands-on experience in modern frameworks and technologies. Seeking an entry-level position in software development where I can apply my knowledge of ASP.NET Core, C#, Python, and SQL to contribute to organizational growth while enhancing my professional skills.

EDUCATION

- Bachelor of Technology (B.Tech - Computer Science & Engineering), Integral University, Lucknow (2021 – Present, Final Year)
- Senior Secondary (Class XII - CBSE), 2021 | 71%
- Secondary (Class X - CBSE), 2019 | 67%

TECHNICAL SKILLS

- Programming Languages: C, C#, Python, JavaScript
- Web Frameworks: ASP.NET Core MVC
- Mobile/Desktop Development: .NET MAUI
- Database Management: SQL
- Software Development: Knowledge of full-stack development, debugging, and deployment
- Problem Solving: Strong foundation in data structures, algorithms, and coding practices

ACADEMIC PROJECTS

- Final Year Project: Audio Q&A; System for Students with Learning Difficulties - Developed an intelligent Q&A; system to help students with learning challenges by providing audio-based question-answer support. Integrated speech-to-text and text-to-speech features.
- Mobile Attendance System (3rd Year Training Project) - Designed a mobile-based attendance system with authentication and record storage features. Implemented real-time attendance tracking using database integration.
- Student Management System (ASP.NET Core MVC, SQL Server) - Web application to manage student data, attendance, and marks. CRUD operations integrated with SQL database.
- E-Commerce Website Prototype (ASP.NET, C#) - Mini e-commerce platform with product listing, shopping cart, and order placement.
- Notes App (.NET MAUI, C#) - Cross-platform notes-taking app with offline storage and search options.

TRAINING / INTERNSHIP

- Augurs Technologies, Lucknow (After 2nd Year) - Summer Training: Worked on ASP.NET, JavaScript, and C#. Gained practical exposure to web application development and debugging.
- Augurs Technologies, Lucknow (After 3rd Year) - Summer Training: Project - Mobile Attendance System. Focused on mobile application development and backend database integration.

CERTIFICATIONS

- HP Certificate – AI for Business Professionals

- IBM Certificate – Python Programming
- Silverline Computer Institute – ASP.NET, JavaScript, C#

SOFT SKILLS / STRENGTHS

- Problem-solving and analytical ability
- Team collaboration and communication skills
- Quick learner with adaptability to new technologies
- Strong dedication towards meeting deadlines

HOBBIES & INTERESTS

- Coding and learning new programming frameworks
- Playing chess and solving puzzles
- Reading about emerging technologies
- Watching tech tutorials and contributing to GitHub

PERSONAL PROFILE

- Father's Name: Mr. Syed Noman Kazmi
- Date of Birth: 15th January, 2004
- Languages Known: English, Hindi
- Current Address: H. No. 436/40A, Amberganj, Police Chowki, Pasand Bagh, Lucknow – 226003
- Permanent Address: H. No. 436/40A, Amberganj, Police Chowki, Pasand Bagh, Lucknow – 226003
